

# CLASSES DESCRIPTIONS

(2x)—This class is repeated • Names are in alphabetic order

## Sig Aberin

### FROM BEGINNER TO SHOW STOPPER (2x)

(Beginner—Intermediate) This condensed workshop provides a whirlwind introduction to airbrush bodypainting, covering basics, essential techniques, an express hands-on project, a glimpse of intermediate techniques. Participants get a snapshot of the art form in a short period which covers general topics of a LIVE Bodypaint performer and Model etiquette. Please note that this is not a beginner drills class. I suggest considering taking The Airbrush Alchemy 101 Class for a more detailed focus on the subject.

### FROM DRILL TO THRILLS

Elevating your Airbrush Art to Performance level—This express detailed DEMO/workshop aims to quickly transition artists from foundational drills to thrilling airbrush performances. It covers essential techniques, introduces performance elements, Brief Construction process and Kostume Koture—Participants get a glimpse of elevating their airbrush art to a dynamic and engaging level. This Class will take you through my creative steps from concept, planning, construction to execution. Student will finish a quick makeup/Bodypaint SFX flourish application on a model or each other on face/neck/arms or chest piece

## Marianne Bartley

### ADORABLE TO ADVANCED, EASY TO ELABORATE

Sometimes its all about speed, sometimes its about your style, and sometimes its about moving beyond your comfort zone. Let's discuss and play with new and fast designs to keep the line moving, enhancing simple designs to build appeal and adding random design elements. We'll discuss eye designs for all ages and designs for arms and legs. Adapt your designs to increase the Wow and learn the differences between face painting and face art. Be prepared to paint in this hands-on class!

### EYE LOVE LINE WORK (2x)

I want you to LOVE line work! If you are not achieving the look you want with line work, let's fix that. Line work can often "make or break" a design by overpowering it or enhancing it. It is a FABULOUS way to create beautiful eye designs and can give you an outlet for your creativity and vision. It is essential to refine your designs with a cleaner, more professional look. Line work is about varying weight and form, swirls, curls, sharp points, and flow. And it adapts beautifully to arm, leg, and neck designs. My goal is to solve some of your line work problems, teach you new ways to use your line work with fun designs. Be prepared to paint in this hands-on class.

## Tiffany Beckler

### BCC ON THE JOB TRAINING FOR FACE PAINTING

Learn how to come prepared for using Body Color Cosmetics at any job to be fast and efficient! We will have the amazing Chaim Taraselli modeling a unicorn rainbow face, and other volunteers to model popular facepaint designs such as Tiger face, Butterfly face, Spiderman and full face dragon utilizing different techniques with one strokes, how to use a stencil, cleaning in between clients and how to educate your customers on the removal process.

### SWEAT PROOF TEEN TO ADULT FACE/BODY PAINTING

Open up another dynamic for parties by appealing to the more mature audiences, learn designs that expand a possible untapped market. Learn how to market yourself for parties that go above and beyond children's events to make more money using Body Color Cosmetics.

## Barbara Breitung

### HEAD PIECE JAM

Come and join Barbara in the Monday Night Head Piece Class. We will have all you need to make two head pieces. Let your creativity go wild in this fun jam time. Maybe make something for your face and body art pieces. Cost is \$25.

## Kim Brennan

### MIXING 101 (aka—Mixing basics)

Proper mixing techniques, sourcing, times, temperatures and the botany, biology, cultural awareness and tips and tricks to make the process of mixing your own henna as painless as possible. Introducing henna to your business and the cost effectiveness of mixing and offering henna in a growing market! Some practice and line building exercises for getting you started! Take notes or there is an option to purchase a work booklet in class. Same booklet is included in pre or post class so no need to purchase if you are in the full day class.

### HENNA: FUN-TASTIC FLORALS

Breaking down different floral elements for use in feminine flowing designs that are make all the ladies want one when creating at a festival or party gig! Large and impressive or small and delicate, you will be able to customize your bouquets! Roses in 'tattoo' and Gulf style and the ever popular hibiscus will be broken down into elements so you can build them up! This class requires the students to bring paper and pen, practice henna or they may choose to follow along or video tape. Suggested that students take a 'Mixing basics' class before this class—mixing questions will be relegated to end of class (as time allows) or jam room.

### LET'S HEAR IT FOR THE BOYS! HENNA

Many have problems with what to offer the boys who like the 'temp tattoo' side of henna! Guy designs so they can get their 'tattoo' on without the pain and you get the gain! Krakens, dice, flames, skulls, 1 minute dragon!! You got it going on just for them! This class requires the students to bring paper and pen, practice henna or they may choose to follow along or video tape. Suggested that students take a 'Mixing basics' class before this class. Mixing questions will be relegated to end of class (as time allows) or jam room.

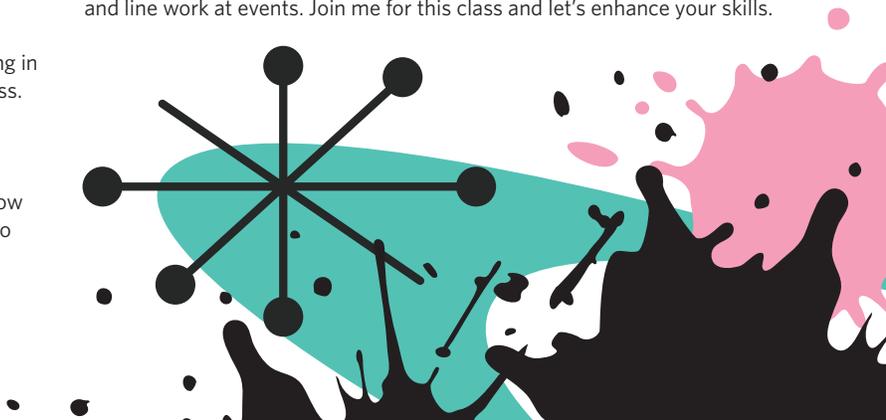

## Marcella Bustamante

Painted Pinup is bringing several new designs to help you build your nerdy repertoire! From anime to superheroes and everything in between, let her show you how to get the BIG kids into your chair and unlock a new level of gigs! All designs can be done on the job. As always, if time permits she will take requests!

### ANIMAL HOUSE

We will be talking a creative look at animals! This class will help you learn to execute a series of quick and adorable animal masks, on the job, using one strokes. She will show ways to keep them simple for speed, as well as how to dress them up if you have a more leisurely gig. As always, if time permits she will take requests!

## Ryan Farewell

### BLUEY BALLOON TWISTING CLASS

Intermediate/Advanced. Join us for a fun class where you'll learn to recreate the beloved characters from the hit animated series, Bluey! In this class we will guide you through the process of making both an advanced design and simpler line work. You'll learn the essential techniques needed to capture Bluey's likeness with accuracy and charm. Additionally, we'll explore some easy color tweaks to transform your Bluey balloons into Bingo, Bluey's lovable sister. By the end of the class, you'll have the skills to impress your clients with your own Bluey and Bingo balloon creations. Materials Needed: Pump, sharpie and assorted 260's and 160's

### POPULAR PRINCESS

This class will teach you popular princess balloons! Whether it's for line work or birthday parties, you'll learn how to craft a variety of princess designs. From different body styles to intricate hairdos, you'll gain the skills to bring any princess request to life with ease and flair. Materials Needed: Pump, 260's assorted colors, 350 blush or 6" q-link princess face, 160 blush, sharpie and paint pen

### ORGANIC MADE EASY

Feeling daunted by the idea of creating organic balloon decor? Don't worry—this class has got you covered! Join us for a stress-free session where we'll walk you through a simple system to make organic balloon decor. Say goodbye to overwhelm and hello to effortless creativity!

## Teresa Forst

### TURN ME INTO A PIRATE

### DEMO: SPRING DESIGN PHOTO HOOPS

### FAST LINE WORK USING PRINTS

## Deb Gary

### BURSTING INTO THE BUBBLICIOUS BIZ (Hands On)

Soap Bubbles are fun for all ages and make a great add on or stand alone service. Come get bubbly playing with some really cool bubbles as I share with you some soapy simplistics about my successful bubble biz. You will learn a basic bubble recipe and play with bubble wands, hand bubble tricks and safety tips. With this, you will get suggestions on how to apply what you've learned to begin getting a return on your investment with your first gig. Let's Get BUBBLY! Starter kits offered in this class must be purchased in advance. \$75

### TEMPORARY WINDOW PAINTING (Hands On)

Start window painting in this class by learning how to creating designs and techniques, obtaining supplies, getting customers and repeat customers and window design removal. I will share how I got over 20 clients in a few months starting with about \$75. If I can do it, so can you. Starter kits offered if there is a demand for them.

### THE FAST AND THE FABULOUS (Hands On)

I am often associated with speed painting. How do I use two chairs? What paints do I use? What designs? Do I only speed paint? Do I charge more? Pros and Cons. I will share all I know in this speed painting class and then you will know if speed painting is for you.

## Michael Green

### AIRBRUSH DEMYSTIFICATION

You have questions—I have answers. You have gripes about the equipment—I can show you why maybe you are missing the causing problem. Let's get those airbrushes out of that two year closet hibernation.

## Elisa Griffith

### POWDERS AND MORE (2x)

Join my class where you'll master the art of painting with powders, perfect for those hot days! Also, learn beauty secrets like eyeshadow techniques and more to wow crowds of any age. Get ready to unleash new techniques that will be very helpful on job. See you there!

## Trida Haas

### REPTILES AND ROSES (2x)

Join me as we paint designs using a combination of two of my favorite things to paint. Learn one stroke rose techniques and combine them with snakes, dragons, and other fun reptiles.

### DOGS AND DAISIES

Learn how to paint some of our favorite furry friends with a spring time twist. Not just dogs, we'll be tackling a variety of animals.

## Erika Hotchkoin

### CRASH COURSE COLOR THEORY

Beginner-Intermediate. This class gives instruction on the significance of color, line, shape and form to invoke emotion & outlines the different elements of art and how together they create a story for your client. We will be using color theory, line psychology, value and depth to take a basic design and make it into a living story. Upon completion, participants will be able to implement into their own at color schemes, color forms, color sequences, pressure/line psychology. I plan on giving lots of information in a fun and visual way, where everyone can see and feel the difference color and color schemes make in a design. Together we will paint three designs implementing what we learned in class. This will be a paint-along class. Color Wheel and handouts will be provided. Please bring: Brushes, paint and practice sheet.

### PAINTING A TOTE BAG

Have fun with me as we paint a tote! Supplies provided are a sturdy, canvas bag, acrylic paints, fabric medium mix in, boards and brushes. Have some extra bling? Hoarding some old brushes? Bring them and give them new life on your stylish bag! Cost is \$25, please pay in cash the day of the event.

**YEAH!!**

## Jacqueline Howe

### DAZZLING DESIGNS (2x)

Join Jacqueline, the creator of Gleam Vivid Glitter and Kraze Fx split cakes in this exciting hands-on class where we will dive into creating the ultimate mouth drop mirror moments using the versatility of split cakes and dazzling sparkle! She will demonstrate several variations of one-stroke and rainbow cake techniques which will give an impressive look in minimal time. You will see how incorporating Gleam into your designs will elevate your work and add value which = bigger tips! After breaking down several key techniques we will put it all together to create beautiful masterpieces you can create on the job. The best way to learn is to paint along so do bring a small kit and definitely come ready to practice!

### BRUSH-STROKE BOOTCAMP

Get ready to put your brushes to work in this hands-on intensive class which will go over line work techniques & various types of brushes from fundamental to advanced. We will drill several exercises to practice the basics of excellent tear drops as well as how to utilize more advanced long brushes and have them work their magic creating unique looks! Nothing says professional face painter like excellent and unique line-work. Come prepared to paint!

## Clayton James

### AIRBRUSH LIKE A FACE PAINTER

With more and more "sponge and brush" face painters making the switch to airbrush face painting, one of the biggest concerns is just how to start once you have a kit. It's a new medium, and can be intimidating. Some painters just let their new investment sit in the box for months, all because they don't know where, or how to start. You'll get a confidence boost in this class by learning how to use the face painting skills you already have, to achieve "face paint" results from your airbrush kit.

### TROPICAL DELIGHTS

In this airbrush class Clayton will teach you how to make some amazing tropical theme designs. Get ready for clouds, sunsets, palm trees, dolphins and swirls and glitter. You can't forget the glitter!

### HALLOWEEN 360

Get your Halloween menus out of that drawer! Scary sells all year round, and in this airbrush class Clayton will teach you his absolute favorite creepy designs, that always get a big reaction. He'll go over a mix of face and arm designs in this Spooktacular class.

### DOG ON IT!

Repetition is the best way to create muscle memory, and in this class we'll start with a basic 2-balloon dog and see how many variations we can come up with. By the end of class you'll have the design committed to memory and have at least a half dozen variations you can use, all taking less than 3 minutes to create.

### 1-2-3 TWIST

Get ready for the endless summer lines with balloon twisting class. You'll learn some of Clayton's favorite quick and fun designs that are perfect for busy line work, but are also super easy to upgrade for slower paced gigs. Those taking the class will all get a link to Clayton's 2-balloon and 3-balloon menu he uses at every single event.

## Judith M. Johnson

### TIPS AND TRICKS TO BALLOON 101

If you're looking to add balloons to your skills, this is the class you don't want to miss. From proper inflation to basic twists that will be the fundamental of all balloon sculptures.

### JUST BEYOND BASICS: GET THE WOW OH MY GOODNESS EVERY TIME

This class will continue from where we left off of with Tips and Tricks of Balloon 101. Taking the basic balloons and bringing them to the next level. Add the wow factors. With one balloon more you won't have a child come back for their balloon being popped.

### PHOTO FRAMES FOR ALL OCCASIONS

Want to learn how to make balloon frames? Don't miss this class!

### I CAN WEAR THAT

From balloon hats and headbands, to back-pack style wearables or wear on your wrist—this is the class to take.

## Loretta Kava

### HOW TO BE REMARKABLE: MARKETING THE RIGHT WAY

Are you tired of not making enough money and feeling like you're missing out on great opportunities? Look no further because this class is here to change that. It's not only about being a skilled painter or having the latest supplies, and it's definitely more than just being active on social media. Marketing isn't about selling; it's about being exceptionally remarkable. Building a thriving and lucrative business is all about leaving a lasting impression. As a participant, you will receive a helpful workbook to unlock your hidden potential. Join Sweet Loretta and discover the secrets to standing out from your competition.

### CASH AND CARRY: MAKE YOUR KIT MAKE YOU MONEY

It's easy to get caught up in the excitement of face art, but it's important to remember what really counts. To be a successful face and body painter, you need a well-arranged kit that meets all your needs. However, why does it always feel like such a challenge to put together the perfect kit? Many painters find themselves constantly rearranging, repacking, and redesigning their kits, only to realize that they have accumulated supplies they never actually use. Don't fall into this trap! Join Sweet Loretta and master the skill of creating and maintaining a sophisticated, practical, and easily portable kit.

### TEMPORARY TATTOOS FOR LASTING IMPRESSIONS

Are you searching for a profitable and stress-free way to stand out from the crowd? Tap into the amazing potential of temporary tattoos to make a lasting impact on your clients. Don't believe the misconception that airbrush tattoos are too expensive and time-consuming, or that glitter tattoos are a hassle but cheap to make. In this class, we will debunk these myths and teach you how to build a successful temporary tattoo business. Whether you want to boost your income or enhance your current gigs, this hands-on class will provide you with the tools and techniques to create a high-end and effortless venture. Explore the limitless possibilities of temporary tattoos for creating lasting impressions!

## Pam Kinneberg

### DÉCOLLETAGE: FLOW, STYLING AND TECHNIQUE

Learn to create beautiful and eye catching décolletages in this class. Pam will demo several styles using florals, fun line work, stencils, gems and different placements on the chest area. You will be guided from start to finish using simple steps to take it to a completed design. Paint along on a practice board!

### BOOST YOUR CONFIDENCE WHEN PAINTING ADULTS (2x)

Painting adults can be a little intimidating. This class will aim to take away those fears and give you confidence when you suddenly get an adult in your chair who says, "Just paint whatever you want!" You will learn some basic design ideas that you can use and/or alter to fit your style. "Glam Eyes" are a huge hit with the ladies. For the men, we'll be using tribal line work, stencils and fun brush strokes. This can potentially open a whole new marketing opportunity for your business!

## Monique Lily

### PRETTY SCARY FACES

Calling all art enthusiasts who crave a blend of pretty and scary! Dive into a world where every scary design transforms into something pretty, cute, sassy, and sexy. Embrace the magic of makeup, glitter, clean sharp lines, and abstract creations. A delightful journey popular among both little girls and women.

### EYE DESIGNS FOR BOYS & MEN

Unlock the secrets to captivating eye designs that are cool, fast, and irresistibly attractive. Perfect for those who prefer a touch of art without the whole face paint. Join me for an exploration of amazing designs tailored for boys and men, expanding your artistic repertoire.

## Irene Melwin

### MODIFY YOUR DESIGNS UP OR DOWN

Sometimes our boards are fun and exciting with a lot of details making them not only beautiful but more expensive. Details should cost. This is a hands on practical class. Bring your favorite designs and learn how to modify them when a customer requests your design for a lower price. We will use your designs and a designs that are provided to work on modifying those designs to help satisfy your customers. Sometimes the parent and the child being painted have different expectations. Let's work on a win-win for both. This class is for intermediate and above levels. Supplies needed: Practice boards or notebooks, face paint, brushes, some of your more expensive designs.

### ABOVE THE EYES: VARIOUS CROWNS

New to Face painting or need designs that are fun but easy? Crown designs are very popular and there are so many ways to create your crowns that are surely a crowd pleaser! Whether it is a color combination wow factor, adding bling, stencils or line work—crowns can eye catching! This will be a hands on class so learning different strokes and how to pull it all together will be key. This class is great for beginners and intermediate levels. Supplies needed: Practice boards or notebooks, face paint, brushes, stencils and (bling—to record the beautiful designs you are creating)

### THE EYES HAVE IT

Do you ever just seem to gravitate to one eye? Yes we all do! In this class we will learn various cartoon eyes that would be great for face painting and or your balloon art. Let's have some fun, be creative and do practical training in class where we will be learning and practicing cartoon eyes to meet your artistic spirit! What you need: solid paints and your favorite liner brushes.

## Shelbi Mojarro

### BEGINNER BASICS

Overwhelmed with information or tutorials that feel a bit too advanced? Join "Squishy Doodle Shelbi" in this beginner basics class to learn the staple designs so many face painters keep in their wheelhouse, and general "things you should know" when beginning your face paint journey. If you're just starting in this profession, or need to brush up on the essentials, join in!

### FANTASTIC AND FAST

Let's tackle some super speedy designs for when we need to be quick and impress...in 3 minutes or less! Realistic on the job design choices for speed painting gigs will be found here.

## Andrea Moje

### FACES & FLOWERS PROAIR PRODUCTS (2x)

This is an advanced class with ProAir. Andrea will teach how to do girl faces and florals with one stoke techniques.

### BRING ON THE BLING

In this class I ask that you bring bling to share. I will have it set up so every one who brings a few bags of Jems to share we all can make a full sheet of 12 Bling. I will provide everything you need. I only ask that you don't come without Jems to share. I will have loose Jems at my booth for purchase in case you need them. I will be teaching my wings with chains. Large oversized festival side eye. Feather BOHO bling and sharing all my tips and tricks with how to fix problems. I will also have medical sheets for purchase in the class. This is the perfect class to make bling for the Thursday night party! Let's get sparkling!

## Connie Iden-Monds

### BACK TO THE 50'S DECOR

This hands-on free Sunday class will be used to build lobby decor.

### HOLY HEADBANDS!

Popular for kids and adults, come learn some fun designs for every occasion.

### EVERYBODY'S GOT ONE!

Come learn body styles for every kind of creation!

## Ashe Owens

Basic and intermediate weaving techniques that can be used for dresses, sculptures, and everyday pieces.

### WINGS & THINGS

Winged backpacks and winged creatures take flight in this fun class for beginner to intermediate twisters.

### WILD WEARABLES

Quick and easy wearable designs that are great for all levels of twisters!

## Michelle Phillips-Trademan

### AIRBRUSH FESTIVAL FACES

Don't just blow color and throw a stencil on top. Learn how to elevate the face designs you're doing now to something truly extra special. Fast, furious and beautiful...great for parties and festivals alike!

### MAKE MY AIRBRUSH GO

Learn the differences on getting your Airbrush to actually work. Electric vs. CO<sub>2</sub> vs. Battery vs. Generator

## Teresa Pogorelec

### FLOWERS

### CHIBI BALLOONS 101

Beginner. Chibi is a popular Japanese art style. Easy, Fast and super cute designs perfect for on the job. Create small designs using a easy base concept that can be adapted to many designs. The sky is the limit! This class is perfect for any artist that is thinking about adding balloon twisting to their services.

### CHIBI BALLOONS NEXT LEVEL

Beginner and intermediate. Add some awesome chibi balloon designs to your repertoire! Come and learn some easy, cute and versatile Balloons. With a mix of different size balloons you can create detailed, adorable creations. Let's take chibi balloons to the next level!

## Mark Reid

### BOYS, BOYS, BOYS

No girls allowed!

### LETTERING FOR ARMS & BODIES

Let's start with calligraphy—then logo placement on bodies. Lettering made easy for fast designs on bodyart.

### CINCO DE MAYO

From sombreros to sugar skulls. Cinco is just around the corner. Be prepared!

## Jill Schmidt

### BALLOON TWISTING BASICS

The class's primary focus will be introducing balloon animal twisting to those who have never made a balloon animal. However, seasoned balloon artists will likely discover a new tip. We'll twist a dog, sword, adorable teddy bear (ideal for learning the pinch twist), and elephant (ideal for learning the fold twist). Then, you can request which of Jill's dozen pre-made balloon sculptures you want to learn.

## Doug Smith

### HUMOR WITH BALLOONS

Join Doug as he shows balloon creations to help fill your performance times. Add humor to your creations while making various balloon animals and such to bring extra value to your guests. All will create a more rounded family friendly experience.

### BEGINNING ACTION FIGURES

Learn some quick and easy action figures, including Ninja's, Batman, Spider-Man, Alien Guy. Two 260's, a couple of 160's and a printed round is all you need to make a child smile. You will amaze the guests.

## Lindsey Smith

### BIG KID BALLOONS!

MOST of us are still kids at heart, and those of us that are, LOVE balloons! In this class you will learn some fundamentals of FUN balloons that adults will never stop talking about. There is a whole clientele out there that is willing to pay good money for unique entertainment. But they need MORE than just the typical balloon animals. From classy headbands, blingy rings and corsages, to "punny" and whacky hats and wearables, this class will help you land the gigs and be talk of the town!

### PURITY FACE BALLOONS!

You may be a pretty good balloon artist, but how are your drawing skills? In this class you will learn how to up your game in drawing on your balloons. Following along, step-by-step, will launch you forward beyond your wildest dreams in balloon art. You may "think" you can't draw. But with a little guidance and practice, you CAN! Improving your marker art will significantly improve your artistry as a whole and is a skill that can be utilized at EVERY... SINGLE...GIG!

### BALLOON TOTAL REQUEST LIVE!

Here's your chance to tell the teacher what balloon designs you want to learn! Do you need a better mermaid in your arsenal? I got you. Need help with some obscure animal or character that kids keep requesting? Let's DO this! I've worked at thousands of events (and most of the time without a menu) and have created thousands of different designs. Sometimes I have to come up with something on the spot. But it took a LOT of practice and inspiration from others! So I would love to share with you whatever designs you are dying to see and try. And will try to keep the design line work friendly so you can go home and start putting those designs to work!

## Consuela Tayeb

### TEAM WORK MAKES THE DREAM WORK

In this class you will learn how to build your face painting brand and expand your crew. Think outside the box to get new customers. As well, we will be going over few of my most popular designs for fun with face painting supplies I will be selling in the vendor room.

## Eva Wheeldon

### GLOW UP YOUR LINE WORK (2)

Taking your linework to the next level by thinking outside the box. Taking the rules we love and breaking them to make original designs that wow clients of all ages.

### CATCHING CORPORATE CLIENTS

In this class I will go over how I've turned my business into 90% corporate events. I will talk you through how clients find me and what I do to stay in the top in my area.

## Nick Wolfe

### GORE GALORE

Paint along with Nick while he creates scrapes, cuts, and much worse. Oh there will be blood.

### DIGGIN DINOSAURS (2)

Get your dinos down in this hands on class 65,000,000 years in the making. Nick will cover the most popular prehistoric people pleasers in a different style for each creature.
